

KG Tiger

Driving growth and profitability with people, process, and technology.

Perfect combination of relationships, expertly designed processes, and effective use of modern technologies.

Contingent Workforce Solutions (CWS)

Delivering in-demand IT and professional talent.

Employer Of Record (EOR)

Builds international teams with turn-key services to find, employ, and manage.

DEI Talent Pipeline (DREAM)

Create and maintain a continuous stream of qualified **diverse** candidates.

Business Process Outsourcing (BPO)

Transfer non-core labor-intensive processes of any type or complexity to drive efficiencies.

IT Solutions (IT)

Transformational services that integrate cutting edge technologies.

Talent Acquisition Support (TAS)

Sourcing, research, talent intelligence, and administrative assistance.

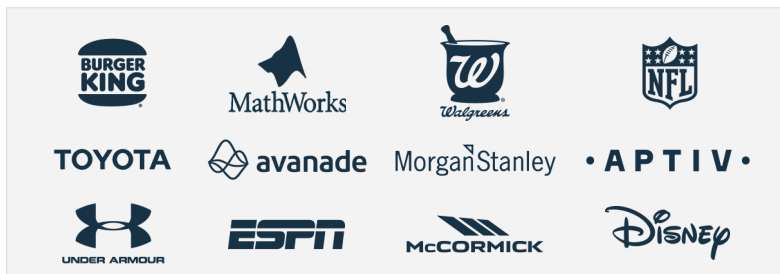

Living the Dream of Diversity, Equity, and Inclusion

As a minority woman owned business, every engagement we attain confirms that America is a place where everyone has a fair chance. In turn, we supply custom services to support our clients' ability to fulfill their commitment to this dream.

Empower Diversity
Accelerate Sustainability
Realize Your Vision
